tile backsplash, and a full suite of stainless steel appliances, including a double-door refrigerator, range, microwave, dishwasher, and a deep undermount sink. Just off the kitchen, the sunny eat-in breakfast area includes a convenient storage closet and opens to the screened lanai through elegant French doors. Out back, enjoy your fully fenced yard—ideal for outdoor dining, gardening, or letting pets play freely. The screened lanai with outdoor carpeting is a comfortable extension of the living space and perfect for quiet mornings or casual gatherings. Upstairs, a double-door den offers the perfect bonus space for a home office, playroom, or media lounge. The serene primary suite features a generous closet and a private ensuite bath with Quartz-topped vanity, undermount sink, and a sleek walk-in shower with glass barn-style door. Three additional bedrooms provide space for guests, kids, or hobbies, and the hall bathroom includes a tiled tub/shower combo with matching Quartz vanity. Additional 2023 upgrades include stylish light fixtures, ceiling fans, updated mirrors, and fresh interior paint in a versatile neutral palette. The attached 1-car garage with coach lights adds convenience and charm, and the home sits on a generous 0.16-acre lot offering room to grow and play.
