NEW SUBURB BEAUTIFUL, TAMPA, FL

Some homes just feel different—and this one is no exception. Located in Flood Zone X (no required flood insurance) and sitting high and dry through both storms last year, this home offers unmatched peace of mind and charm in one of South Tampa's most sought-after neighborhoods: New Suburb Beautiful. Best of all, you're just a short stroll to Hyde Park Village, Bayshore Boulevard, and SoHo, with tree-lined streets, friendly neighbors, and the kind of community that makes you feel right at home.

What sets it apart? Not one, but two fully updated 1 bed / 1 bath private guest suites in the detached carriage house—ideal for multigenerational living, a live-in nanny, or turn-key income-producing rentals. The main house has been completely transformed—top to bottom—with a brand-new spa-inspired primary suite addition, updated roof and all major systems, and thoughtful designer details in every corner. No square inch has been left untouched, offering not only beauty, but lasting value for the next owner. Step through the white picket fence and onto the front porch with a picture perfect front porch swing to enjoy your morning coffee and take in the neighborhood. Inside, the sun-drenched layout flows effortlessly—anchored by warm finishes, custom millwork, arched doorways, and built-ins that add both style and function. The heart-of-the-home kitchen was designed for everyday life and elegant entertaining, with quartz countertops, a wood-accented island,

double ovens, and statement lighting.

With 4 bedrooms, 2.5 bathrooms, an open-concept layout, and a flex/playroom, the main home offers versatility to fit any lifestyle. Beyond the back door, the detached 2-story carriage house adds another 1,240 sq ft, with private entrances, their own laundry, and luxe finishes in both apartments. Whether you need a guest space, creative studio, home office, or passive income stream, the possibilities are endless. There are multiple green spaces including a generous fenced in front yard, new turfed areas and backyard with room for a pool!

There’s even a finished 12x12 A/C-equipped shed”currently a gym, easily converted into a playroom, office, or retreat. This is a move-in-ready designer home that offers not only style”but substance.
